

IIF Delegation To Vietnam

Day 1:

18/6/25

Visit the VIMF exhibition at Binh Duong:

All delegates were registered prior to arrival and the organising team (OMG Events Management Comany Ltd.) was waiting for us.

After warm welcome by organising team lead by Ms. Vicky Vo, we spent about 4 hours at the exhibition.

The exhibition was about overall manufacturing industries in Vietnam.

Day 2: Works Visits:

First visit was to VEAM Foundry.

VEAM (Vietnam Engine and Agricultural Machinery) is a big group in Vietnam, having 88% Government equity. VEAM Foundry is one of its foundry making CI and DI using conventional Jolting machines on one line and SINTO HPML on other line.

Blend of old and new technologies give them flexibility of small batch multiple items production along with economics of scale for large quantities done on HPML.

During visit, Mr. Dong Traung Nghia (Director) and Mr. Dang Ngoc Nhan (Deputy Director Metallurgy) welcomed the delegation.

On behalf of the delegation, Mr. Anant Bam felicitated Mr. Dong with a hand crafted brass casting memento.

Photo 4: At VEAM Foundry.

Second visit was to Yng Shun Co. Ltd.

Yng Shun Co. Ltd. is an Aluminium Die Casting foundry with machines ranging from 180 to 800 Tons clamping force. Mr. Che Hsin Han (General Director) welcomed the delegation.

IIF Delegation To Vietnam

On behalf of the delegation, Mr. Anant Bam felicitated him with a hand crafted brass casting memento.

Photo 5: At Yng Shun Co. Ltd.

Third visit was to Dong Yang VINA Special Metal Co. Ltd.

Dong Yang VINA Special Metal Co. Ltd. is in the business of Valve manufacturing and thereby they have their own captive foundry.

Complete range of valves from 50 NB to 1500 NB is being manufactured at their works right from casting, machining, assembly and testing.

The delegation received warmest welcome at this factory. Mr. Nguyen Ho (Board Advisor) and Mr. Do Hui Tuan (General manager) welcomed the delegation.

Mr. Anant bam Felicitated Mr. Ho with a hand crafted brass casting memento.

Photo 6: At Dong Yang VINA Special Metal Co. Ltd.

Fourth visit was at Cong Ty THH Shin Fung Industrial. Since the visit was scheduled with very short notice, and the delegation reached ay about closing time of the works, this visit was very short and formal visit.

The foundry has no bake and green sand jolting systems manufacturing sanitary and pipe fitting castings along with some jobbing work.

Evening Dinner was at Indian Restaurant at HCM City. The delegates enjoyed relaxed moments at the Walking Street after dinner.

Day 3: Exhibition visit to Automechanika:

Ms. Cecilia Young of Messe Frankfurt gave a grand welcome to the delegation. All delegates were pre-registered and a walking parade through whole exhibition was arranged for the delegation.

The exhibition was a treat to auto ancillaries including casting makers, as most of the displayers were using castings as their input material.

Four Indian exhibitors were also participating in the show.

Later during the visit, special interview with Mr. GuyMacKinley-West of Messe Frankfurt was held to exchange thoughts of IIF; the delegation and Messe Frankfurt.

IIF Delegation To Vietnam

At the venue, first B2B meeting was organised with Ms. Delia Hoa, Buseness development executive of Jacko Trading Co. Ltd. a merchant trader, local representative, buyer and seller.

Photo 12: B2B Meeting with Ms. Delia of Jacko Trading Co. Ltd.

In the evening, the delegation hosted a dinner in honor of Ms. Nguyen Ha; Secretary of Vietnam Manufacturing Industries Association (VAMI).

At this occasion, Mr. Anant Bam felicitated Ms. Ha with a hand crafted brass casting memento.

Photo 13: Felicitation of Ms. Ha with a memento.

Day 4: Being Saturday, the offices and factories have weekly off; hence local site seeing tour was arranged.

The delegation visited Cu Chi tunnels near Ho Chi Minh City; which are remains of 250 Km long Guerilla warfare tunnels dug by Vietnamese soldiers during American War.

A short documentary film depicting historical events during war was also viewed.

Lot of arms were on display in gallery and few delegates enjoyed firing real bullets through real guns at firing range.

Photo 14: Delegate enjoying at Cu Chi Tunnel.

In the evening, dinner was organized on river cruise.

Cruise ship Indo China Queen was ready for glitter and glamour. delegates enjoyed delicious food on the Saigon river along with local entertainment programs.
